Forecast for Saturday 24 Oct 2020

Weather: Saturday will start mostly dry with a possibly bright start but cloud will soon increase during the morning to bring outbreaks of rain. Some heavy and prolonged rain by lunchtime, with quite difficult conditions as winds increase. Rain mostly clearing by the end of the afternoon, then some clear spells but staying mostly cloudy with showers in evening.

Chance of cloud free mountain/hill tops above 600m: 70% at first and 50 or 60% in evening, with broken cloud down to 600m, but little chance from mid-morning with persistent cloud down to 400-600m.

Visibility: Mainly good at first and out of showers later, but generally poor in rain and very poor at height with cloud on the slopes.
